Dr. Chuck Missler explores the background, and myths, surrounding one of our favorite holidays.

- What really happened in Bethlehem two thousand years ago?
- Who were the “Magi?”
- Why a virgin birth?
- What does a Christmas Tree have to do with it?
- On what “loophole” does the Messianic hope rest?

Each year at Christmas we celebrate the birth of Jesus Christ. After the New Year, we struggle to remember to add a year as we date our checks, which should remind us that the entire Western World reckons its calendar from the birth of the One who changed the world more than any other before or since.

It is disturbing to discover that much of what we have been taught about the Christmas season seems to be more tradition than truth. Santa Claus isn’t the only myth or legend that has arisen out of this season.
Traditionally Christmas is a time for a time of fellowship with family and friends, the exchanging of gifts, and a rest and relaxation. This is primarily practiced in the countries influenced by Western European cultures. The rest of the world does not recognize this holiday season because they do not recognize Jesus Christ.

Many non-Christian religions have a view concerning some sort of historical Jesus, but their beliefs do not present the Jesus of the Bible. Jesus, in fact, told His disciples to, “take heed that no one deceives you. For many will come in My name, saying, ‘I am the Christ,’ and will deceive many.”

The apostle Paul warned the Corinthians, “But I fear, lest somehow, as the serpent deceived Eve by his craftiness, so your minds may be corrupted from the simplicity that is in Christ. For if he who comes preaches another Jesus whom we have not preached, or if you receive a different spirit which you have not received or a different gospel which you have not accepted—you may well put up with it!”

Therefore, this Christmas season the best gift you can give, the best message you can send, and the best fellowship you should enjoy should be around and focused on the Jesus Christ of the Bible. The One who created everything, sustains everything, the immortal and everlasting God who dwelt among mankind to be our only WAY, TRUTH and LIFE.

May God bless you as you study His Word.

Dr. Chuck Missler’s “Learn the Bible in 24 Hours” series is the foundational study for all Koinonia Institute students. Since its launch in 2005, thousands of people worldwide have enjoyed learning the Bible in an exciting way with Chuck as he leads them to discover that the Bible is an “integrated message system that is from outside our time domain.”

**Upgrade and Remastering Project**

With the current availability of more modern video tools, Koinonia House, in association with Lyonshead Media, has remastered the whole 24-part series to a clearer High Definition (HD) standard. We have also
updated all of Chuck’s Power Point slides to his most current layout standard. Therefore, all LTB24H DVDs now being sold by Koinonia House will be to this improved presentation standard but still at normal DVD quality.

English Subtitles

We have added the option for viewing each session with English subtitles. Switch this optional feature on, and you can follow Chuck as he takes you on an amazing journey through the Bible. As Dr. Missler will often use terms that are not easily understood as the session flashes by, the use of subtitles allows the viewer to follow along “line by line.” This way you won’t miss a word that may be essential to understanding the whole teaching. Therefore, the use of subtitles is not just for the Hearing Impaired but for anyone who has “an ear to hear what the Spirit is saying to the Church.”

Foreign Language Subtitles

With these new enhancements to the “Learn the Bible in 24 Hours” series we recognize the opportunity we have to add foreign languages as optional subtitles. Therefore, we have launched a project that will translate the entire 24 sessions of LTB24H into at least 20 foreign languages.
We will then embed the translated text as a subtitle option available on the video version of the series. We will also have the individual translation teams provide the foreign language translation of the Koinonia Institute student material so we will have a complete package of teaching the Bible that can be used to reach the whole world. Lord willing, we have a target date of early 2017 for the phase one release of the remastered “Learn the Bible in 24 Hours” series with foreign language subtitles.

**Be a LTB24H Translator?**

We can see that a very popular source of creative effort through the internet is available through “online crowd sourcing.” Basically, this is where people from around the world volunteer their time and talents to collectively complete a project. If you would like to participate in a volunteer translation team, please contact us LTB24World@khouse.org.

**HD Download and HD Video on Demand Format Available**

All LTB24H download (MP4) files are now available in the HD format. This will provide clearer viewing of this important material. The sharper images allow you to see more detail, especially when viewing some of Chuck’s more complicated diagrams. One additional feature of the HD Download files is that they are available to download onto any compatible device owned by the purchaser.

**Double Play Offer**

When you buy this upgraded DVD series, you will also be able to download the HD versions for free in your K-House store account “My Downloads” section. This way you get the best of both worlds. In other words, you can have your DVDs and Download too.

**Unlimited HD Download Upgrade Available**

Once you buy a copy of “Learn the Bible in 24 Hours” DVD set or HD Download, you will have the capability always to come back to the K-House store (resources.khouse.org) and download the most recent version of this ever-improving material. This will especially be useful as we add more foreign language translations to each session.

We believe that translating the “Learn the Bible in 24 Hours” series into all the languages of the world is a wonderful challenge.
The whole series of “Learn the Bible in 24 Hours” will ultimately be available for free on our YouTube channel www.YouTube.com/KoinoniaHouse. Our primary purpose for doing this is for support for the ongoing KI Small Groups that are going through this material. For more information regarding this program go to www.KIGroups.info.

Because each session has full English subtitles, you can now use the extra features of the YouTube word-search feature to locate any word or phrase within a session. This means that it will tell you the exact location in the video where your search text exists. This is a great feature for those of you who wish to know where Chuck said, “such and such…” This Time-Code-to-Text feature will also allow the viewer to follow the English text and the selected foreign language text at the same time.

Can we Out Give God?

With the launch of this project, we are facing the challenge that we are ultimately offering the “Flagship of our Fleet” of teaching material for FREE. As with any other ministry-based organization, we have bills to pay. In the past, we have looked to the revenue from the sale of our materials to be our primary source of funding our overhead and project development.

With the launch of our “Learn the Bible in 24 Hours – to the World” program we intend to utilize all of the available channels of distribution available to us to spread this teaching as far and wide as we can without considering how or where to offset our expenses. In a small way, we as a ministry are taking up the challenge of Malachi 3:10 by trusting in the Lord God Almighty to supply according to His will for this ministry as we put the matters of His Kingdom ahead of our needs. Please pray that God will abundantly open doors for ministry in the whole world.

Mystery of Melchizedek

Dr. Chuck Missler

- Who was this strange Priest/King who received tithes from Abraham? (…and administered bread and wine to him?)
- How is Melchizedek relevant to the Messiah of Israel?
- Did Melchizedek have a temple that predated Solomon’s?
- Is the Jewish Kingdom as portrayed in the Old Testament simply an intermediate parenthesis within a larger expanse?
- Why are the distinctives so divergent from the enforced separation of the kingship and priesthood under David?
- Were the bread and wine served by Melchizedek eschatological? Did they embrace the Cross? (They, too, echo across the pages of the OT)
- Was the Lord’s Communion anticipated in Gen. 14?

These studies may challenge many of the comfortable traditions that have shaped our classic Biblical perspectives.

Breakthroughs in the fields of physics, technology and biology led Chuck Missler to record this wonderful study in Genesis (recorded in 2004). With over 24 hours of teaching, this verse-by-verse study of the book of Genesis has been one of our most sought-after and best-selling series in the history of Koinonia House.

Pulling back the veil of prehistory, Chuck will take you on a journey into the very nature of our universe, exploring the mechanics of creation, time and space, the physics of eternity and the intricate design of God’s wonderful plan for our salvation.

This foundational study begins where any true adventure does...

“In the Beginning.”
How to Study the Bible

Dr. Chuck Missler

Which translation is best? Which Study Bible? What are the secrets of resolving difficult or controversial passages?

From forty years of intensive Bible study and teaching, Missler shares his favorite helps, secrets and practical suggestions on how to take the Bible seriously.

Most Christians, although they want to do in-depth Bible study, know little of the types, philosophies and tools of study available. Is the Bible to be taken literally or figuratively? What study aids would be most helpful in beginning my own home study library?

Going through the Bible book by book? “Eat the elephant one bite at a time.” These studies produce the most lasting results. There is a balance in the “whole counsel of God.” (Emmaus Road in Luke 24:27).

Where to start?

A good “first book” is the Gospel of John: “A child can wade in it and an elephant can bathe in it!” Other good starting points include Genesis, Acts, Matthew, Daniel, and Revelation (which is the only book which unequivocally promises a blessing to the reader). You are unique: let the Spirit lead you.

The Fulcrum of the Entire Universe

Isaiah 53 is one of the most astonishing passages in the entire Bible:

It is often called “The Holy of Holies” of the Old Testament. However, it is even more broadly impacting than most people realize; that’s why we call it, “The Fulcrum of the Entire Universe.” Its reach includes the entire creation.

Clearly, its most devotional significance details our personal salvation: indeed, the entire New Testament is summarized in its remarkable 12 verses. Yet it also includes some of the most astonishing apologetic insights in the entire Bible. Rich rewards for the diligent.

DVD: $19.95

The Origin of Evil

Dr. Chuck Missler

When did Satan fall?

We know that the angels were created prior to the Earth. We find Satan had already fallen in Genesis 3. The mystery is, when did he fall? It appears that there are substantial Scriptural references to his rebellion, his agenda, and the subsequent catastrophic judgment that ensued.

This raises the whole issue of the origin of evil. And why hasn’t God simply wiped him, and sin, out completely? It is also disturbing to recognize that Satan tempted Jesus by offering him the kingdom, power and the glory in the temptations recorded in Luke 5. How could Satan lay a legitimate claim to these?

DVD: $19.95

Inheritance & Rewards

Dr. Chuck Missler

Are all believers going to be equal in heaven? Wasn’t it all decided at the cross? Is there a difference between overcoming sin and bearing fruit?

Inheritance came to the firstborn son by virtue of his birth. Whether he actually secured it depended upon his obedience and the father’s choice. Inheritance was subject to condition and obedience.

Inheritances could be forfeited. The Exodus Generation was promised an inheritance, but failed to obtain it at Kadesh-Barnea. Israel was God’s “firstborn son”, yet only 2 of over 2 million took possession of their inheritance. Even Moses was excluded due to his disobedience. Esau sold his inheritance for a bowl of pottage.

We have been promised an inheritance in the Kingdom to come. But is there more required of us than just our acceptance? Does behavior in this life really influence our future?

Eternal Security

Dr. Chuck Missler

One of Christianity’s most controversial issues - and one of our most frequently asked questions - involves the concept of Eternal Security. There are good scholars on all sides of this issue, yet we felt it would be useful to explain our own views on this highly charged subject.

We believe that the root problem stems from a lack of precision in our definitions. Earl Rademacher brings this to light when he declares that, “I have been saved; I am being saved; and, I will be saved.” He is simply highlighting the three tenses of salvation.

DVD: $19.95

Heaven and Hell

Dr. Chuck Missler

What Happens When You Die?

We don’t like to think about death. It’s not a pleasant subject, and we avoid even discussing it seriously or giving it any diligent study. Yet our appointment with death is the most certain event in our future. We all know of personal examples when death has come suddenly to people, without warning, without preparations: car accidents, stray bullets, unforeseen strokes. When it comes our time, what do we expect death to be like? How will we enter eternity?

DVD: $19.95

The Rapture

Dr. Chuck Missler

There continue to be many questions concerning the “Rapture” of the Church and its apparent contrast with the “Second Coming” of Jesus Christ. Where does this strange view come from? Is the term “rapture” even in the Bible?

Clearly, the idea of the Rapture can be considered the most preposterous belief in Biblical Christianity. The situation regarding the doctrine of the Rapture is painfully similar to the famous quote by Dr. Richard Feynman, speaking of quantum physics:

“I think it is safe to say that no one understands quantum mechanics... in fact, it is often stated of all the theories proposed in this century, the silliest is quantum theory. Some say that the only thing that quantum theory has going for it, in fact, is that it is unquestionably correct.”

The Great Commission

Ron Matsen

The last commandment of Jesus before His ascension was for His disciples to “go into all the world and preach the gospel to every creature.” The apostle Paul tells us, “How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher?”

• How seriously should we personally take this command today?
• Is this command somehow only limited to those who feel they have the gift of evangelism?
• What needs to be said, understood, and believed for a person to be born-again?

DVD: $19.95

The Holy Spirit

Ron Matsen

In 1 Corinthians chapter 12 the apostle Paul writes, “Now concerning spiritual gifts, brethren, I do not want you to be ignorant.” Sadly, today many Christians are poorly equipped to understand what the Bible has to say about the Holy Spirit.

To comprehend the character and conduct of the Holy Spirit you must understand that He is a Person, that He is God, and that He has a specific purpose.

This four-part study explores these topics related to the Holy Spirit:

• Part 1 – “The Person & Deity of the Holy Spirit”
• Part 4 – “The Fruit of the Holy Spirit”

Israel and The Church
Dr. Chuck Missler

- Has God abandoned Israel?
- Has the Church “replaced” Israel?
- What does the Bible say?

As we watch the world events, it is clear that Israel is following her prophetic scenario, and a new chapter is about to be written—and there may be a big surprise on our near horizon!

Jesus: Who & Why?
Dr. Chuck Missler

Just who is Jesus Christ? What did Jesus actually accomplish? Jesus Christ is not “a concept,” an “idea,” or a “useful traditional value.” He is an actual living person who came to accomplish a specific purpose that prevails over everything else: His achievement continues to impact you and me, and determines our eternal destiny.

He is the fulfillment of a pervasive promise made before the foundation of the world and the very standard by which the entire universe, and everything in it, will be judged!

The Romance of Redemption
Dr. Chuck Missler

The Book of Ruth is venerated in college literature classes as one of the most elegant love stories of all time. What most people don’t realize is that it is one of the most significant “New Testament” books located in the Old Testament—and it stands as a pivotal study in Bible Prophecy! It is an essential prerequisite to understanding the Book of Revelation!

This tiny, 4-chapter book is one of the most inexhaustible sources of spiritual insight in the entire Bible. While it has been summarized in many of Chuck’s broader studies, Chuck explores the many surprises hidden in the text of this charming treasure (including some hidden secrets that will astonish most Biblical scholars!) Every detail of the text will evidence a skillful design beyond the skills of any human editor.

**DVD: $29.95 • Book: $5.95 • eBook: $4.95**
The Book of Revelation is the only book of the Bible with a Promise to the reader! Why? What makes this book so special?

Revelation is a “lens” that puts the entire Bible into focus. The lens is focused on the person of Jesus Christ, and His destiny is imminent. This is a book of victory: We are overcomers! We are the ultimate winners in the game of life! (I read the ending: we win!)

One of the reasons this book strikes us as strange is because of our lack of understanding concerning the Old Testament. The Book of Revelation consists of 404 verses that contain over 800 allusions to the Old Testament. These are detailed, along with Chuck’s analysis of the design and structure of this fascinating book. Learn about the past, present and future of the Church and our ultimate destiny. This is an ideal “first study” and foundational for every Christian.

Mary: Ten Test Questions for the World’s Finest Woman

Dr. William Welty

MAYBE IT’S TIME YOU LEARNED THE TRUTH…

The community of Christian faith worldwide knows her as the finest woman who ever lived. Born in obscurity to a distant descendant of Israel’s magnificent King David, Mary, the mother of Jesus of Nazareth, was honored by the Creator of the Universe to be the person through whom God himself would visit his own Creation.

No matter what you may have thought you knew before about this first century paragon of virtue and faith, there’s a good possibility that you’ve been misinformed about her.

In fact, chances are you’ve been wrong from the start about the most remarkable woman who ever walked the dusty roads of first century Israel at the height of the Roman Empire’s power.

No, Mary isn’t who you think she is. More than twenty centuries have come and gone since a teenaged virgin became the mother of God’s incarnate Son. As a result, far too much myth has grown up around the person and story of the woman who became one of the foundational figures of human history.

But what the New Testament records tell us about the life of Mary, the mother of Jesus is fascinating enough in its own right that accumulated legends seem to embellish the story.

So today, more than twenty centuries later, Biblical scholar and theologian Dr. William Welty pulls back the dusty curtain of historically inaccurate tradition and introduces you to the very human, but utterly magnificent character of Mary, the mother of the Messiah, as she struggles to pass Ten Test Questions for the World’s Finest Woman.

In this analysis of every passage recorded in the New Testament in which she is mentioned, you’ll learn why Mary, the mother of the Rabbi from Nazareth, rose from literal obscurity to become one of the most pivotal figures in all of human history.

The Love of God

Ron Matsen

Every major theistic religion in the world encourages its followers to “Love God,” which is usually expressed through religious rituals. Christianity alone tells its followers that “God Loves them.” This love is understood and enjoyed through a personal relationship with Him. God’s Love for us creates a Love for God which creates a Love for God’s ways.

Join Ron Matsen as he explores the subject of “The Love of God,” beginning with a study that unpacks 1 John 3:1 word-by-word to discover the incredible message of God’s Love for mankind. Ron then examines how God displays that Love to a lost and dying world.

Ron Matsen

Discovering God
Ron Matsen

The beginning of a person’s reconciliation with God is their recognition of God. The argument for and against the existence of God has raged for ages. Yet proving the existence of God is an understanding that comes from an “aggregate of thoughts” knit together with “summary logic.”

• Can the existence of God be proven?
• What are the classic arguments for the existence of God?
• If an infinite God exists, how can He be understood by finite man?

The Once & Future Church
Dr. Chuck Missler

Over the many decades that I have enjoyed my love affair with the Bible, the greatest personal growth I’ve ever witnessed occurred in a home Bible study. The fellowship of those intimate home groups, where people can interact, ask questions, and hold one another accountable, was the place of growth for all of us -- teacher and student.

Today, too many people get lost in church and are only getting a surface skimming of the Word of God. We encourage you not only to continue attending your current fellowship, but if you are not also presently in a small, weekly, Bible study group, we strongly encourage you to find one and give it a try. You may be in for a truly life-changing surprise.

The Christmas Story

Dr. Chuck Missler

Dr. Chuck Missler explores the background, and myths, surrounding one of our favorite holidays.

- What really happened in Bethlehem two thousand years ago?
- Who were the “Magi”?
- Why a virgin birth?
- What does a Christmas Tree have to do with it?
- On what “loophole” does the Messianic hope rest?

Each year at Christmas we celebrate the birth of Jesus Christ.

After the New Year, we struggle to remember to add a year as we date our checks, which should remind us that the entire Western World reckons its calendar from the birth of the One who changed the world more than any other before or since.

It is disturbing to discover that much of what we have been taught about the Christmas season seems to be more tradition than truth. Santa Claus isn’t the only myth or legend that has arisen out of this season.

The Beginning of Wisdom

Dr. Chuck Missler

“The fear of God is the beginning of wisdom.” Proverbs 9:10

How do we balance the awesome majesty due to the Creator and Ruler of the universe with the gracious family intimacy that is now available to us through the completed work of Christ?

What does His Holiness demand of us, personally?

What are the hazards of failing to render the Almighty His due, while availing ourselves the riches committed to us in the precious promises in His Word?

How do we deal with these paramount issues facing us daily in practical challenges?

Chuck Missler grapples with these wildly misunderstood tensions with down-to-earth frankness and Biblically based candor.

**DVD: $19.95**
Most reasonably informed Christians are well aware that many of the traditions that surround the Christmas holidays have pagan origins and very little correlation with the actual events as recorded in the Bible. However, most of us are surprised when we discover that some of what we have been taught about Easter is not only in error, but deliberately so!

Being ready, fit and prepared will dramatically affect our role, our position and our place of responsibility in the future Millennial Kingdom.
The Feasts of Israel

Dr. Chuck Missler & Dr. Dan Stolebarger

The Feasts of Israel, set by God, are not only commemorative in a historical context, but are also prophetic.

The first three feasts in the 1st month point to the Messiah’s First Coming; the last three feasts in the 7th month, to His Second Coming. The middle feast highlights the Church, in more ways than is generally recognized.

Hope Against Hope

Nancy Missler

You can have faith, but still be hopeless. After being a Christian for over 60 years, Nancy lost her hope this past year as she faced overwhelming and multiple physical challenges. When you lose your hope, you not only lose your mooring and your grounding, you also lose your vision and your dreams. But God…loved her so much…that He used her pain and suffering to teach her what real hope in Him means.

That’s what this book is all about.

Hope is “the tie or the connection to the Lord behind the veil.” Hope not only allows us to “see Him who is invisible” in the midst of our trials, it also gives us the endurance to go on. Only “hope” can become “the anchor of our soul” when everything around us is crashing and burning. (Hebrews 6:18-19)

Like Abraham, “who against hope believed in hope,” we must learn to unconditionally trust the Lord to do the impossible, regardless of what we see, what we think, or what we feel. (Romans 4:18)

The Reemergence of Assyria?

The rapid rise of the Islamic State in Iraq and Syria (ISIS) has caused many in the world to wonder at its apocalyptic implications. We will examine this emerging problem with what I like to call the “Issachar Challenge.” Therefore, we need to address three questions concerning this area of the world:

- What is its history?
- Who are its leaders?
- What is its prophetic destiny?

When you consider the coalescences of current events in the former region of Assyria with Biblical precedents and prophecies it should not seem strange to see this region of the world once again at the center of the world’s prophetic stage. The question is, “What should we be doing during this time of great uncertainty?”

Behold a White Horse: The Coming World Leader

The final world dictator seeking global domination will also be an “Assyrian” who is here characterized by a bow, riding a white horse. It is interesting how many confuse this counterfeit with the rider of the white horse in Revelation 19.

“Behold a White Horse” explores the career of the first of these “Four Horsemen” who seems to have at least 33 titles in the Old Testament and 13 in the New Testament and the common term “AntiChrist” really isn’t one of them. We also explore the only physical description of him in the Scripture!

Behold a Red Horse: Wars and Rumors of Wars

Dr. Chuck Missler, an honor graduate of the U.S. Naval Academy at Annapolis, with an international background including three decade’s experience in the board rooms of the defense industry, reviews the major Biblical references to warfare, the trends in modern weapons technology, and some of the current preparations for war among the major powers.

Behold a Black Horse: Economic Upheaval and Famine

Most famines are the direct result of government’s deliberate decisions. Germany sank into the most severe hyperinflationary period in recorded history after printing 1.3 trillion marks: that translates to about 4 trillion in today’s dollars. Ironically, that is almost exactly the same amount of money the United States government has printed since 2008.

Behold a Livid Horse: Emergent Diseases and Biochemical Warfare

Why are previously conquered diseases now making a comeback? How real is the threat of biological terrorism? Why is it more dangerous than chemical terrorism? Was the AIDS virus deliberately designed? By whom? And why? Is there any truth behind an agenda to control (and reduce) the world’s population? By whom? And why? Who are the two riders associated with the Livid Horse? How do they differ?
The Mystery Of Babylon

Dr. Chuck Missler

The most important city in Iraq is not Baghdad and you have probably never heard it mentioned on the 10 o’clock news. It is mentioned over 300 times in the Bible (and it is even mentioned three times in the family tree of our Lord Jesus Christ!) This is, of course, the fabled Babylon.

It was founded by the first world dictator, Nimrod, and it may well be destined to be the capital of the final world dictator, commonly called the Antichrist! And this may all be emerging on our near horizon.

Myths of Eschatology

Dr. Chuck Missler

Eschatology is a part of theology concerned with the final events of history, or the ultimate destiny of humanity. This concept is commonly referred to as the “End Times” or “Last Days”. In this field of study, there is a minefield of disinformation, misunderstandings and myths concerning many future events.

The Seventy Week Prophecy of Daniel 9 includes the most incredible validation of Jesus Christ as the Messiah, which He held His people accountable to have known.

In a confidential briefing to His disciples, Jesus also highlights this passage as the key to understanding all other prophecies concerning His return.

It is essential to understanding the Book of Revelation and other related passages.

Expectations of the Antichrist

Dr. Chuck Missler & Ron Matsen

There are many diverse anticipations concerning the Coming World Leader, commonly referred to as “The Antichrist.” This study will explore the Biblical descriptions with the specific expectations of the globalists, Islam, the Vatican, Freemasonry, and others.

- Will he be a Nephilim?
- Why is the Vatican openly preparing to receive an “alien” visitor?
- Will he be a resurrection of Nimrod? Is his DNA a factor?
- What are the expectations of transhumanist technologists in this regard?

The Magog Invasion

Dr. Chuck Missler

For many years we have been following the conventional view of Ezekiel 38 and 39. With the growing tensions between Iran and Israel, these passages are the subject of much current debate. However, the conventional view still leaves a number of puzzling inconsistencies and contradictions. Ezekiel 38 indicates that Israel is dwelling safely and “without walls.” Yet, with walls being built and missiles landing each day Israel is hardly dwelling in peace. This leaves us with a puzzling anomaly: the players listed in Ezekiel seem to exclude any of the bordering nations: Where are the Palestinians? The Lebanese? The Syrians? The Iraqis? The Jordanians? The Egyptians?

The End Times Scenario

Dr. Chuck Missler

Many people are becoming increasingly conscious that we are entering a unique phase of human history. Some are terrified. Some are predicting cosmic doom on the near horizon. Others are making astonishing predictions. What does the Bible really say?

Eschatology (the Study of “Last Things”) is among the most challenging avenues of study, even for the most sophisticated.

- What are the “real” End Time events?
- Does the Church go through the Great Tribulation?
- Which Kingdom do we pray for in the Lord’s Prayer?
- Is there really a “Battle of Armageddon”? Why?
- Should we expect a literal Babylon on the horizon?
- What Scripture did Jesus deliberately leave out in Nazareth?
- Who is the “AntiChrist”? Is he alive today?
Doctrines of Demons

Ron Matsen

What does the Bible have to say about the End Times? Matthew’s Gospel records the warning of Jesus where He said, “Take heed that no one deceives you” (Matt 24:4). The apostle Paul expands on this by stating; “Now the Spirit expressly says that in latter times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons.” (1 Tim 4:1)

Satan often relies on deception through disinformation. Misinformation is defined an accidental un-truth where disinformation is the intentional misrepresentation of the truth. Therefore, doctrines of demons are creeds that offer counterfeit truths.

Prophecy 101

Dr. Chuck Missler

The Bible contains 8,362 predictive verses about 737 different matters and yet prophecy is one of the most neglected subjects in the Church today. Understanding prophecy is an essential and fundamental issue for every serious Christian. But where do we start?

This series has been designed to give you a strategic overview of prophecy: past, present and future. This series will encourage the new believer and strengthen the faith of all who study it. Now, more than ever, it is important that we have answers for people who are seeking the truth. We need to equip ourselves to be ready to give an answer to every man for the hope that lies within us.

Prophecy 20/20

Dr. Chuck Missler

Prophecy 20/20 condenses many challenging concepts into remarkably clear information about where we are on God’s timetable. Through careful exegesis, Chuck Missler:

• examines important trends on today’s geopolitical and technological horizons through the eyes of Scripture’s prophetic calendar;
• analyzes the likely end-time effects of global changes, from the nature of modern weaponry to the implications of the world’s attitude toward the nation of Islam; and
• highlights our resulting spiritual responsibilities in scientific, social, and political arenas.

The Manifesto of our King

Dr. Chuck Missler

The Sermon on the Mount is the manifesto of our King and the platform of the Prince of Peace. And it’s the Law! It goes vastly beyond the Law of Moses. It is the Ten Commandments amplified and expanded. It raises the law to the nth degree.

As the Law of the Kingdom, it is the highest ethical teaching in the Bible. It will be the law of this world during the Millennium, and then it will find full fruition. Christ will reign on earth in person and will enforce every word of it. The Sermon on the Mount will finally prevail when He whose right it is to rule shall come.

Thy Kingdom Come

Dr. Chuck Missler

In this briefing pack *Thy Kingdom Come*, Chuck Missler gives insight into the questions, Are you ready? Do you understand? Does your present behavior matter later?

“Thy Kingdom come....” (Matt 6:10) is part of the “Lord’s Prayer” and yet few Christians have any idea what it is really about. Not only were we instructed to pray for its coming but it is the first thing we are to pray for! Now is the time to prepare for its coming. Gabriel promised Mary that Jesus would sit upon the Throne of David. Has this happened yet? Is there a relationship between the Millennium and the Davidic Kingdom.

The Next Holocaust

Dr. Chuck Missler

- What is the purpose of the Great Tribulation?
- What is the prophetic role of Ammon, Moab, and Edom (now known as Jordan)?
- Where does Jesus return? On the Mount of Olives or in Bozrah?

Jesus warns the dwellers in Judea that when they see the “Abomination of Desolation” - a desecrating idol installed in the Holy of Holies of the Temple - to flee to the mountains. The remnant of Israel will find refuge there for three and a half years while God protects them and provides for them. In this study, Chuck explores some of the less familiar prophecies of the End Times, the Tribulation, and the Second Coming of Jesus Christ.

Kabbalah

Whether disillusioned by the bias of contemporary “science,” or frustrated by worldly materialism, increasing numbers of desperate people are now seeking “answers” outside the realm of natural phenomena and are pursuing the supernatural... “Is there anyone out there?”

Beyond the allure of many contemporary forms of ancient paganism, such as the New Age, Wicca, and others, many people have become attracted to a form of Hebrew mysticism known as Kabbalah. The popular press is speckled with articles of prominent Hollywood personalities who have taken up a popular contemporary version of Kabbalah

It is particularly self-contradictory to find these occultic practices embedded within Judaism, despite the numerous explicit prohibitions against all forms of the occult recorded throughout the very Torah that is so highly venerated among the Jews...

...Anyone with a small measure of Biblical literacy should realize that occult practices are expressly prohibited in the Scriptures. Scripture condemns by name spiritism, mediumism (channeling) and necromancy, and various forms of sorcery and divination, including astrology and magic. In ancient Israel, divination was a capital crime: if someone was caught casting a horoscope, or other occultic practice, they were put to death. Why?

Because God is jealous of His uniqueness, and He alone knows what the future holds. To intrude on His office is to attempt to intrude on His glory. Occult activity also courts deception and betrayal from the demonic realm, and promotes evil under the guise of legitimate religious practice. Occult involvement will eventually lead to judgment for those who refuse to forsake it.

Beyond Time & Space
- Are there more than four dimensions to physical reality?
- Is it possible to traverse time as well as space?

The startling discovery of modern science is that our physical universe is actually finite. Scientists now acknowledge that the universe had a beginning. This is, of course, what the Bible has maintained throughout its 66 books.

Beyond Coincidence
Is our universe some kind of cosmic accident, or is it the result of careful and skillful design? When compiling the many physical and mathematical subtleties which make up our universe, scientists have discovered that a slight variation in any of them militates against the existence of life. Even secular science refers to these appearances of apparent design as the “anthropic principle,” since they yield the impression that the universe was designed specifically for man.

Beyond Perception
There seems to be evidence to suggest that our world and everything in it are only ghostly images: projections from a level of reality so beyond our own that the real reality is literally beyond both space and time.

Beyond Newton
Astronomers explain their views relying on the 17th and 18th century tools of their forefathers, Kepler and Newton: gravity, fluid mechanics, and the magnetism of loadstone, rather than those of the 19th century - James Clerk Maxwell and electromagnetic field theory. Beyond Newton explores the challenges to current astronomy by scientists who have discovered that the entire volume of our galaxy is filled with diffuse clouds of magnetized plasma - electrically charged ionized particles.

DNA by Design

Stephen C. Meyer, PhD

The foundations of scientific materialism are in the process of crumbling. Philosopher of science Stephen C. Meyer shows how the digital code in DNA points powerfully to a designing intelligence behind the origin of life.

Unlike previous arguments for intelligent design, DNA By Design presents a radical and comprehensive new case, revealing the evidence not merely of individual features of biological complexity but rather of a fundamental constituent of the universe: information.

The Holographic Universe

Dr. Chuck Missler

There seems to be evidence to suggest that our world and everything in it are only ghostly images: projections from a level of reality so beyond our own that the real reality is literally beyond both space and time. The main architect of this astonishing idea is one of the world’s most eminent thinkers - physicist David Bohm, a protégé of Einstein’s. In this executive summary, Chuck gives a current perspective on some of the areas that define our reality.

- Could the Cosmos be a Super-Hologram?
- What is one of the fundamental errors commonly made in the field of Astronomy?
- What is the Nature of Reality?
- What are the implications of this understanding?

Cosmic Codes

Dr. Chuck Missler

Read the implications of our finite universe and the shocking discoveries of quantum physics at the very boundaries of reality and learn their significance to our origin and personal destinies!

Your excitement will grow as Chuck Missler details astonishing hidden messages within the text of the Torah that could only have been placed there by the Great Author Himself. He explores the impact of information sciences on our understanding of ancient texts... including microcodes, macrocodes, and metacodes...as well as the highly controversial “equidistant letter sequences” discovered in the Bible. You will be able to use this exciting information to discover the hidden messages yourself because many of them do not require a computer to decipher.

The Physics of Immortality
Dr. Chuck Missler

This is an intensive review of what the Apostle Paul calls the most important chapter in the Bible: 1 Corinthians 15. Without it, “we are of all men most miserable.”

Did Jesus really rise from the dead? How do we know? Do we really believe it? What kind of body did He have? Why did they have trouble recognizing Him?

How do we now know that we live within a digital virtual environment which is but “a shadow of a larger reality”? What are the implications of that “larger reality”? What is the relationship between “the twinkling of an eye” and Planck’s Constant for time (10^{-43} seconds)?

Hidden Treasures
Dr. Chuck Missler

For the novice as well as the sophisticate, this DVD is full of surprises. It includes subtle discoveries lying just “beneath” the text -- hidden messages, encryptions, deliberate misspellings and other amendments to the text -- that present implications beyond the immediate context, demonstrating a skillful design that has its origin from outside our space and time. Drawing upon over forty years of collecting, Chuck highlights in this study many of the precious nuggets that have become characteristic of his popular Bible studies around the world.

It is guaranteed to stimulate, prove, and hopefully, disturb. It will confound the skeptic and encourage the believer. It is a “must” for every thinking seeker of truth and serious inquirer of reality.

Behold a White Horse: The Coming World Leader
“Behold a White Horse” explores the career of the first of these “Four Horsemen” who seems to have at least 33 titles in the Old Testament and 13 in the New Testament and the common term “AntiChrist” really isn’t one of them.

Behold a Red Horse: Wars and Rumors of Wars
Dr. Chuck Missler reviews the major Biblical references to warfare, the trends in modern weapons technology, and some of the current preparations for war among the major powers.

Behold a Black Horse: Economic Upheaval and Famine
Most famines are the direct result of government’s deliberate decisions. Germany sank into the most severe hyperinflationary period in recorded history after printing 1.3 trillion marks: that translates to about 4 trillion in today's dollars. Ironically, that is almost exactly the same amount of money the United States government has printed since 2008.

Behold a Livid Horse: Emergent Diseases and Biochemical Warfare
Why are previously conquered diseases now making a comeback? Was the AIDS virus deliberately designed? By whom? And why? Is there any truth behind an agenda to control (and reduce) the world’s population? By whom? And why? Who are the two riders associated with the Livid Horse? How do they differ?
Of all the end-time themes discussed in the Bible—such as global disasters (Matt 24), the rise of the global super-state, the identity of the Antichrist, the mark of the beast, and the Magog invasion (Ezek 38-39)—“deception and apostasy in the church” is listed more times than any other end-time “sign of the times.”

**Are we currently living in the Age of Apostasy?**

Ron Matsen explores the evidence and causes of apostasy and provides an antidote for apostasy in this timely study.
HANCES ARE, Jesus isn’t who you think He is. No matter what you may have read before about this first-century rabbi from Nazareth, there’s a good possibility that you’ve been misinformed. In fact, maybe you’ve been wrong from the start about the most amazing man who ever walked the surface of the earth. Many people who knew Jesus understood Him well enough to admire Him, to respect Him, and to love Him. Others were terrified of Him. Some of His own relatives said He was out of His mind. But the politically and religiously intolerant leaders of first-century Israel hated Him. So they murdered Him. But that wasn’t the end of the story. Not by a long shot.

Today, more than twenty centuries later, respected Bible scholars Dr. Chuck Missler and Dr. William Welty bring Jesus of Nazareth to you in the most unconventional way possible… by bringing Jesus of Nazareth to talk in His very own words about Himself, His purpose, His nature, and His mission.
